Uni-Pres Kindercottage Achieves Silver Circle of Quality Rating from the State of Illinois

We are back to school after our Christmas and New Year's weekend breaks. My, it has been cold. We are so grateful for the gifts of warm clothing for the children. The warm coats, hats, mittens and boots are so appreciated by parents and children alike. Please accept our gratitude too for the many gifts bestowed on us this season.

We wish you and yours many blessings in the New Year!

The Uni-Pres Board wants you to know that Uni-Pres has met the

requirements for the ExceleRate Illinois *Silver Circle of Quality* rating from the Governor's Office of the State of Illinois. Achieving this designation demonstrates Uni-Pres' commitment to providing quality care to the children they serve.

All daycare programs in Illinois may attempt to achieve such a rating. The rating then allows parents and others interested to go the State's website and select a program that offers high standards of early learning and development for their children. The Uni-Pres staff and administration have worked hard to achieve this goal. Staff must meet education requirements; the building must meet certain standards and inspectors must find that all records are current and in place.

We are very proud that Uni-Pres has achieved this rating and commend Brenda and the staff for their hard work.

The Board, Staff and children enjoyed a Christmas dinner together. We share some photos of that event below.

April Fun is coming...
