Congratulation, Graduates!!

We recently observed Graduation Day for the oldest of our Kindercottage students. This year we had a class of 20 preschoolers who will leave us and move on to "Big School." 70 of their closest friends and relatives came to see them walk across the stage and receive their diplomas. It was wonderful! We will miss having them with us but we are so pleased with the progress they have made and that they are growing up and moving on in life. We love all of them so much!
