## **Summer Fun at Kindercottage**

As summer winds down, we want to share pictures of some of the fun times we've had. Although summer was slow to start, we certainly made the best of it when it finally arrived. We hope you had a good summer too. Soon we'll be getting ready for back to school. Watch our next newsletter for pictures of our community back to school carnival!

We LOVE going to the Magic House in St. Louis and this summer was no exception. We are so grateful for the opportunity to be able to visit this wonder-

filled place with our children.

We LOVE to go swimming and that was one of our summer activities as well. We were happy to receive fresh fruits and vegetables to share with others from the free Food Truck. July is a big birthday month for our Kindercottage staff. Just look at all of the birthdays we celebrated! Only one child has a July birthday and we celebrated hers at a different time. Happy Birthday!!!

*Hope you are having a great summer!*

---

## **Uni-Pres Kindercottage could use your help!**

We have a Smartboard, where children and teachers can learn and interact with each other. It needs to be installed. Perhaps some of you have installed one in your church and you could help us to install ours.

Also we are looking for someone to help us design a natural playground. The

playground will not have, for example, a hard metal slide but will have tree stumps to form a path and perhaps a small slide of some sort. If you have ideas, please share them with us. After the drawings are finalized, we would need skilled carpenters to help us build the playground. Please contact us at [unipres@sbcglobal.net](mailto:unipres@sbcglobal.net) or [sor4u555@yahoo.com](mailto:sor4u555@yahoo.com)

*THANK YOU!!!*

---

We ask that you remember to include Uni-Pres Kindercottage in your will or trust documents. We would be ever so grateful! Thank you!
