Still closed but...

Remember Kindercottage

A Note From Brenda:

Hello my Kindercottage friends,

We remain closed due to the Coronavirus pandemic but we think of you often. We hope you had a blessed Holy Week and Easter.

If you are finding yourselves discouraged by the news of the Coronavirus, disheartened by social media or overwhelmed by financial difficulty, you are not alone. At times, it seems like our world is falling apart, and we're not sure where to turn. If you're looking for hope and longing for joy, it's closer than you think.

Through Jesus' resurrection, we've been given a living hope that anchors our souls even in the most difficult seasons. I pray that "God, the source of hope, will fill you completely with joy and peace because you trust him. Then you will overflow with confident hope through the power of the Holy Spirit." Romans 15:13

I want to tell you about one of our babies. She came to us at 8 months of age. As she grew, we all knew that something wasn't there but we weren't sure what was

missing. After in-house testing and discussion, we decided that more was needed to discover what that something was. Doctors at Cardinal Glennon answered our questions. Faith was born with a missing chromosome and we were told that her skills would be delayed. Faith is a BIG GIRL now and she still comes to us after school or when schools are closed. She has mastered MANY self-help skills that we were told would come much later in life but they didn't know that PRAYER CHANGES THINGS. Faith is an inspiration to all of us and we are grateful that Uni-Pres Kindercottage is a part of her life and that we are a part of hers.

We are all in this together, let us maintain faith, prayer and concern for one another.

With much love and gratitude,
Brenda

We ask that you remember to include Uni-Pres Kindercottage in your will or trust documents. We would be ever so grateful! Thank you!
