

# Hello Spring

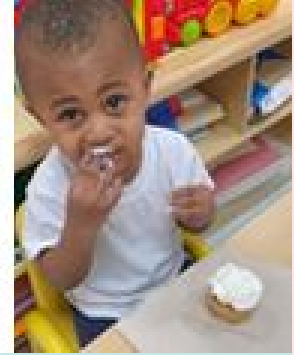

## Hello from Uni-Pres Kindercottage

We're back!! We've missed you but we've been busy with many activities at Uni-Pres Kindercottage. It has been a L-O-N-G winter and we're very ready for spring and summer!

You have been very kind to us with your gifts both at the holiday seasons and in-between. The children loved their Christmas gifts and we appreciate all that you do for us. Thank you for continuing to remember us with your donations, prayers and many blessings.

We gave school supplies to families with school-aged children.

**We have celebrated  
birthdays!  
(YAY, I'm 2!)**

We're encouraging the sun to bring us pretty flowers!

Because spring is approaching, we need your help to chase away the winter dirt. We've scheduled a **SPRING CLEANING DAY for May 15** beginning at **9 AM**. Please bring your buckets, rags, gloves, mowers, rakes and tools for possible repairs. We will have bagels, donuts and coffee for your breakfast. Please bring a sack lunch if you can stay past noon. SO mark those calendars for **May 15<sup>th</sup>**. We would certainly appreciate your help!
