

What keeps us going!

THANK YOU TO OUR WONDERFUL VOLUNTEERS!

Our Clean-Up day on May 15 was a success! Staff and volunteers attacked, cleaned, organized and threw out while cleaning. Thanks so much to all who came to help. We are so blessed with many volunteers from different walks of life who help us.

Once again, the Belleville West High School Key Club came to our aid. They arrived early on Saturday morning ready to help and didn't even mind cleaning the bathrooms. They are such great kids to help us so often. Their advisor, Jennifer Stauffer, accompanied them. Thanks so much, Belleville West Key Club!

The Keller Williams group chose Uni-Pres Kindercottage to benefit from their community service hours. WOW! We have a beautifully manicured lawn, all weeds and overgrowth cleared, broken toys removed, trash picked up, a beautiful new sign and new mulch on the playground. What a wonderful job they did. The community folks were calling to ask; "Who are all of those people in the red shirts and what are they doing for you?" Thank you, Keller Williams!
