

New Staff! New Beds! Lots happening at Uni-Pres Kindercottage!

NEW STAFF, NEW BEDS!

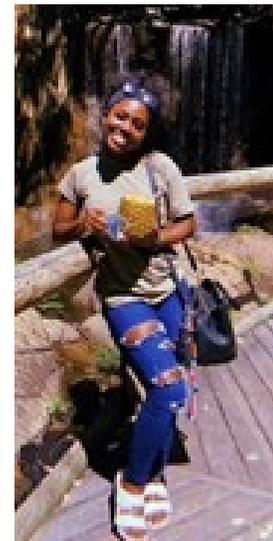

We've added to our staff at Uni-Pres Kindercottage and we want you to meet the newest members of our family. We'll let them introduce themselves to you!

UPDATE: With apologies to Erin Beavers and Ms Alexus, the picture below is now the correct one! In an earlier version of the newsletter, some of you received an incorrect version. Thanks to Judy Brickey, the one below is now accurate. Welcome to La Derricka and Ms. Alexus!!

"Hello, my name is LaDerricka Golliday and I'm 27 years old. I only recently started my career working with children and I absolutely love it. I'm extremely friendly and always have had a passion for caring for people. I'm currently working as a floater, and I get to spend time with children of all ages. My favorite part about working here is seeing my students apply the skills I've shown them into their everyday lives. I'm super excited about this journey and can't wait to grow with this team."

"Hi! My name is Miss Alexus. I'm 21 and I've been working in childcare since the age of 14. I started off in an in-home daycare and over the years, I've worked as a camp counselor, a nanny and a daycare teacher in St. Louis, MO. I left for the military and returned back to childcare the moment I got home. I love taking care of young children and watching them develop into their own individual personalities and helping them learn new things! I'm super excited to be a part of the Kindercottage family and cannot wait to bring new opportunities and happiness as well."

Thanks to Mr. Kenneth King and Medline Industries for calling and asking if we would like 60 new beds that he wanted to donate. The beds arrived at 1:30 and by 4:30 all had been picked up. **60** people were blessed with new beds.
