What is going on at Kindercottage!

Big Thanks

I want to take the time to thank all the loving and warm wishes I received at the Illinois South Conference Annual Meeting. I can see and feel the love and care that has been established for our mission here at Kindercottage. I am excited to keep building great relationships and sustain the mission work, as we care for our blessed little ones. I look forward to meeting each of you as you plan to visit our center.

We Need Your Support

Our goal this year is to build a new 3–5-year-old playground. Our Playground equipment is in poor condition and has been worn over the years. Please help us reach our goals of striving to have a sound playground structure installed by the year 2023 . Please contact Aimee Hart @ Aimee@unipreskindercottage.org to know how you can assist in the rebuilding of our new playground.

As we prepare for the Winter Weather, we are asking our loving and generous givers to please contact us about purchasing coats for our little lambs.

We are also including a link for those who would like to shop online for various items for this holiday season.
