

Dear Friends of Uni-Pres Kindercottage,

Happy Holidays

We hope this letter finds you well and taking good care of yourselves.

As we continue to maintain high standards of cleanliness and care for our students, we are asking our Friends and supporters to send cleaning supplies as we maintain a healthy environment for our children and families.

We are also asking you to send in financial contributions that you can bless us with to assist families with making tuition payments for the children to attend our center. While we receive some funding from the State of Illinois and of course, generous donations from churches and individuals like you, we are always in need of more.

We thank you for your ministry of caring for our little lambs and so grateful that you pour into their educational journey. We appreciate your help, and speedy replies to give much needed items, such as coats and pajamas. We are still in need of hats, gloves, and socks.

Please help us maintain the level of educational standards, by checking our website for educational supplies or you can donate amazon gift cards so we can purchase items we need to enrich the children's learning experiences.

We continue to need your support for our children as they thrive in a community that is challenged with economic and equity disparities. We thank you in advance for any ways in which you can be a blessing and we look forward to your continuous support.

Sincerely,

Aimee Hart,
Executive Director
Uni-Pres Kindercottage
